TRAINING CAMP BEING BOOSTED IN NOON TALKS

CHAPLAIN SCOTT LEAVES SHORTLY; MUCH REGRETTED

National Guard officials are enthusiastically of the opinion that the mid-day speeches this week, begun yesterday in the Ad Club talk by Maj. M. J. Lenihan concerning the needs of guardsmen here, and including today's speech at the Rotary Club by Senator James L. Cooke, and the speeches at the Commercial Club tomorrow, will be of much benefit to the guard.

It is of prime importance, these officials point out, that Honolulu shall become deeply interested in the wish of the guard to establish a complete camp site on Punchbowl.

This camp, when finished, will be not only a place where guardsmen may drill, but also a location for work in citizen training camps similar to those at Plattsburg, New York.

It is hoped that a large crowd will be out to the noon lunch tomorrow at the Commercial Club, when Gen. Wisser, Governor Pinkham and Attorney Frank Thompson will speak concerning the plans of the guard.

This will probably be one of the last times that Gen. Wisser will appear here in public as a speaker, as the general leaves within a short time for the mainland.

ORDERS OF THE HAWAIIAN DEPT.

First Lieut. Albert K. B. Lyman, Corps of Engineers, will report in person to the president of the examining board at Fort Shafter, Hawaii, appointed in paragraph 34, Special Orders, No. 276, War Department, November 27, 1915, at such time as he may be required by the board of examination to determine his fitness for promotion. Before complying with so much of this order as directs Lieut. Lyman to report to the board he will report in person to the commanding officer, Fort Shafter, for the prescribed test in horsemanship. The commanding officer will inform the president of the board of the result of the test as soon as completed.

Maj. Arthur S. Conklin, General Staff (Coast Artillery Corps), upon his arrival in the United States, will proceed to Fort Williams, Me., and report to the commanding officer, Coast Defense of Portland, for duty at Fort McKinley, Maine.

Pvt. Bernard C. Wallace, Battery E, 1st Field Artillery, Schofield Barracks, Hawaii, will be sent on the first available transport to Fort McDowell, Cal., and upon arrival will be discharged by the commanding officer of that depot, on account of fraudulent enlistment.

In the case of General Prisoner Cass P. Carver, formerly private, Company D, 2nd Infantry, now confined at the Pacific Branch, United States Disciplinary Barracks, Alcatraz, Cal., the unexecuted portion of the sentence published in G. C. M. O. No. 254, Hawaiian Department, dated September 7, 1915, is remitted; he is honorably restored to duty under the enlistment entered into by him January 30, 1914; is transferred as private to infantry, unassigned, and is detailed to duty at the Pacific Branch, United States Disciplinary Barracks, for a period not to exceed three months.

First Sgt. William H. Loper, Company I, 3rd Battalion of Engineers, is placed upon the retired list at Honolulu, Hawaii, and will repair to his home. The Quartermaster Corps will furnish the necessary transportation and pay the soldier commutation of rations in advance for the necessary number of days' travel, it being impracticable for him to carry rations of any kind. The journey is necessary for the public service.

Leave of absence for three months, to take effect upon his arrival in the United States, is granted Capt. George L. Hicks, Jr., Coast Artillery Corps.

Q. M. Sgt. Henry J. Rath, Quartermaster Corps, upon arrival at Fort McDowell, Cal., from Honolulu, Hawaii, will be sent to Fort Crook, Neb., for assignment to duty, relieving Q. M. Sgt. Henry J. Hunker, Quartermaster Corps.

Sgt. Instructor Harry L. Brown, 1st Infantry, U. S. A., who has been detailed for the last several months on duty with the Kauai members of the National Guard of Hawaii, is relieved of that work by orders issued today at department headquarters.

(Special Star-Bulletin Correspondence)

SCHOFIELD BARRACKS, April 27.—The next transport will take away Chaplain O. J. W. Scott, 25th Infantry, and he will take with him the food and gratitude of every officer and man in the regiment. He has been untiring in his efforts to keep up the excellent regimental spirit and to assist in every way with entertainments, the organization of clubs and societies and to do more than his share in every undertaking.

He has recently taken charge of the much neglected graveyard of the post and turned it into a veritable garden spot. It was necessary to move five of the scattered graves, to build walls and roads and to start the cultivation of plants and trees. At his request the railroad put a crossing over the railroad tracks at the graveyard.

Chaplain Scott will be succeeded by Chaplain George W. Proleau, who has been with the 10th Cavalry.

NATIONAL GUARDSMEN ON KAUAI SET EXAMPLE IN PAYING ARMORY DEBT

Word comes from Kauai that the various companies of the 4th Infantry, National Guard, stationed on that island are doing active work in raising funds, which, according to officers at local headquarters, is a shining example for other island troops to follow.

Two companies at Waimea raised \$800 by a dance and entertainment a few nights ago, all of which will be turned over to guard work, while the three companies at Lihue have raised \$3000 in less than one week of work.

Owing to the fact that the \$8500 originally subscribed to the Lihue armory was found insufficient for the work outlined, it was necessary to bring up the total to \$11,000, public-spirited citizens coming through with the funds.

At Kilauea plantation Manager L. L. Myers has put in gun cases, lockers, pool tables and other conveniences for the men, together with a complete equipment of footballs, baseball and boxing gloves.

25TH INFANTRY NOTES

(Special Star-Bulletin Correspondence)
SCHOFIELD BARRACKS, April 27.—Another benefit ball will be given at the United Spanish War Veterans' hall on the evening of May 16, for the purpose of raising \$60, the amount still due from the 25th Infantry for the defense of Jesse Dukes. The last ball was a tremendous success.

Those in charge of the ball are: William Hanger, manager; Cpl. Carpenter, floor manager; Sgt. Cummings and Cpl. Richardson, doorkeepers; Sgt. Pearson, sergeant-at-arms. The 25th Infantry Band will furnish the music. Tickets are on sale at every company.

Everyone in the regiment has the baseball spirit and the company teams are waiting impatiently for the formulation of a schedule to decide the 1916 championship. In preparation the company teams are playing such practice games that they can arrange among themselves, and with the field artillery and cavalry teams.

Last evening, upon the earnest request of a large number in the regiment, the children's entertainment given a week ago was repeated at the post chapel. There was a large attendance and much praise is due to the children of the regiment for their excellent performance and to those in charge of the arrangements, Mrs. O. J. W. Scott, Mrs. M. McI. Reynolds and Mrs. Robertson.

An additional feature of the program that was greatly enjoyed was a special program rendered by the 25th Infantry Band, conducted by Chief Musician Leslie King. Cpls. William B. Brown and F. Coleman, in their duet for cornet and baritone, were excelled again and again. Cpl. Brown is one of the very popular men in the regiment and an excellent cornetist. He was formerly a sergeant in the 24th Infantry Band. Cpl. Coleman has the reputation of being the best baritone player in the army.

NATIONAL GUARD NOTES

Troops, batteries and companies of the National Guard are ordered by the adjutant-general henceforth to keep full and complete record of their work, maintaining a correspondence book, morning report, first sergeant's roll call book, record of attendance at drills and assemblies, record of properties held by individual enlisted men, file of descriptive and assignment cards of all enlisted men, a document file, company council book, company fund account, file of company orders of memoranda, and instructions from higher authority, and an individual record of all rifle and pistol practice.

HINGE LISTED AS DESERTER

Pvt. George Hinge, 143d Company, C. A. C., is listed as a deserter from Fort Kamehameha, not having been seen there since April 14. Hinge had been in the army since 23d October, when he was enlisted at Fort McDowell, California. He is 25 years of age, a laborer by occupation, has dark blue eyes, dark brown hair and ruddy complexion. He weighs 175 pounds and is five feet seven inches in height.

"Gee! I'd have a birthday every day if we had Loju!"

—Give the children something new—let them enjoy this new fruit juice—the delicious juice of Oregon's famous

loganberries! It's the same delightful flavor you used to find in the wild blackberry, for the Oregon loganberry is a cross between the mountain blackberry and the red raspberry. In the Willamette Valley of Oregon, these big luscious loganberries grow as nowhere else in the world. We press the juice just as the berries come from the field, wet with the morning dew.

A FEW WAYS TO SERVE "LOJU"

—From the "Loju" recipe book—let, free at your dealer.

"LOJU" PUNCH—Just the right amount to serve 6 or 8 people. One bottle of "Loju" Concentrated, three parts of water, juice of two lemons, sugar to suit taste. Add a few slices of orange or pineapple. Place small cubes of ice in punch bowl and pour juice and water over same.

Tell your grocer to send you a few bottles of Loganberry Juice

—Have some of it ready for little impromptu occasions. See the way its delicious flavor will delight everyone. "Loju," like no other fruit juice, contains the natural citric acid. You can compare the "Loju" flavor with nothing else—it isn't the sweet, insipid flavor, neither does it leave that heavy, "sluggish" after effect.
